Carrizozo to Have Model Ten Acre Experimental Farm Operating Soon

Carrizozo, N. M., Dec. 14.—The committee on the experimental farm project for Carrizozo got husy during the week and worked out plans for the ten-acre tract at Carrizozo donated by A. C. Wingfield and surveyed during the week by W. Sizdtman, with 200 feet of the land lying along the right-of-way of the El Paso & Southwestern railroad, which will also for the proposition of an attorney to draw which will also for the proposition of an attorney to draw which will also for the proposition of an attorney to draw which will also for the proposition of an attorney to draw which will also feet of the land to mean the plant to put the matter in the same laws has been taken up by the committee and they have decided to put the matter in the same and the glory of the hillitops ought to rest our weary bones; but the crisp and fresty twilight cases a gloom across our skylight, and we fill the glowing atmosphere with the glowing atmosphere with the glowing atmosphere with the glowing atmosphere with all the glowing atmosphere with the glowing atmosphere with the glowing atmosphere with all the glowing atmosphere with agontsing groans. Thus we flounder through the seasons, always giving sundry reasons, why all things are through the proposition of incorporation of the project, with a possibility of \$1,000 more from the federal aid.
